

PATROL LETTER 2019-2020 SEASON

Welcome to the new season. Patrols start in a couple of weeks, on Saturday 28th September. Last patrol is Sunday April 26. This year we have 2 extra patrols, reducing the load on us all.

This season we welcome two new Patrol Captains, Matty Liles and James Elliot on the boat patrols. We also welcome back Noah Outteridge and Dave Tape who have previously been captains with the club and have stepped up again. Lee, Tim, Joe and Cookie return to round out the top 8. Please support this team as they work harder than anyone else in the club.

We will do Saturdays a little differently this year. We only must provide three bronze members from 9 -5. We have a patrol allocated to each Saturday and the plan is for the Captain to work with the patrol to cover this need, typically with a morning or afternoon session. Everyone should then only have to do 1 or 2 Saturdays all season, and the Captains, IRB drivers and crew can have rest.

Sundays and Public Holidays are full patrol, as usual, 8.30 -5.

Possibly there will be an errors in the roster. Apologies, any issues just let me know and we can resolve, I am still feeling my way with the SurfGuard system.

Unavailability or roster swaps will be best managed via the members portal, most of us now have a log in and we can sort out any issues as the season starts.

You can call or text on 0427 456 051, or email on cmacclure@gmail.com.

Please be patient, I do not always have my phone to hand, but I will get back to you.

Thanks,

Craig MacClure

Club Captain
